**Bulletin #3 – Front Door Storm Doors**

- All Storm Doors shall be constructed of aluminum and the color should match the current trim color of the home.
- The Front Storm Door shall be 100% full view glass. No ½ glass doors.
- A Modification Request Form and an example/picture of the proposed Storm Door shall be submitted to the Architectural Committee for approval prior to installation.
- The Storm Door appearance is to be maintained by the Homeowner.
- In the event the Storm Door is not maintained, the Homeowner will receive a 30-Day corrective action notice from the Hidden Lakes Property Manager to either remove the Storm Door or have it repaired/painted or replaced to its original condition.
- Approval from the Architectural Committee is not required for installation of Backdoor Storm Doors.
